Dear kriyabans from all around the world,

Swami Shankarananda Giri is inviting all of us to participate at the exceptional Khumba mela event which will take place in January - February 2019 at Allahabad, India.

For the first time in a very long period, our Kriya Yoga group is going to have its own location, officially registered by the authority responsible for Khumba mela organization. It is a great honor granted to Swamiji and to all Kriyabans to enjoy and fully benefit of this unique and memorable event.

For this occasion Swamiji will bring a large group of Kirtan players from Rishikesh, Bhubaneswar, Puri and Rairakhol.

Swamiji will take care that a warm and comfortable campus (fitted with kitchen, bathroom and separate dormitories for men and women) will be set up, to welcome his disciples from all countries.

Swamiji will do his best to accommodate everyone. The campus will be open for the period of two months (January and February) and you can join according to your possibilities.. but **you absolutely must register in advance.**

This time, it is extremely important to know precisely the days and dates of people's arrival in Delhi and how to take the same flights to Allahabad. It is required a bit of discipline from everyone but this will make the journeys safer.

The campus address will be given later to all those who registered, along with an emergency phone number.
